LoopWorks Embraces Community-Controlled Governance

LoopWorks takes the next step toward a Personal Rapid Transit (PRT) system serving the Milpitas Metro Area. “This Milpitas PRT project will reduce automobile use and Milpitas’ carbon footprint while saving hours of commute time each year” states President Matt Kennedy. The Board voted to approve a democratic and cooperative model to govern future corporate priorities and actions. The Milpitas community will guide efforts focused on providing quick and easy mobility within the Milpitas Metro area - including access to the BART Transit Center.

As the [Board Meeting Minutes](#) show, LoopWorks

- Appointed officers: President – Matt Kennedy
Secretary – Rob Means,
Treasurer – Tam Overacker
- Adopted [Bylaws](#) that ensure community control of PRT infrastructure and a democratically-elected Board of Directors working to provide equitable service.
- Adopted the [LoopWorks Business Plan](#) that will guide the creation and operation of the Milpitas PRT.
- Scheduled a Members Meeting and election of Directors for June 5, 2021, and authorized voting by email.
- Approved the [election process](#).

With this foundational work done, LoopWorks is now offering Milpitas residents, businesses and others the opportunity to become [community members](#). By donating \$100 or more to LoopWorks for the creation and operation of the Milpitas PRT, Milpitas residents and businesses can secure lifetime membership. In addition to being [credited with early support](#) of this project, members have voting rights in all general-membership issue elections, election of the Director representing community members, and election of the President and Treasurer. To become a community member, contact LoopWorks at info@MilpitasPRT.com.

LoopWorks is a taxable non-profit mutual benefit corporation that is creating a smart transit system to serve the Metro Area around the Milpitas BART Transit Center using convenient and quick Personal Rapid Transit (PRT) technology.
