Hi Rob,

Thanks again for reaching out.

As a long-time transit advocate AND rider, I am interested in PRT, both in Milpitas AND elsewhere in our county.

Unfortunately, we do not have enough bandwidth to prepare a thoughtful position at this time. I'm sorry we cannot be of more help right now.

I will keep your info on hand, and hope that your endeavors with the city council keep moving forward.

Best regards,  
—John
